

BAGS &amp; SHOES SPRING-SUMMER 2018

## ○ WHITE

It is not just white, but total white. Full, intense and uninterrupted. Distinguished by clean designs, white accessories feature characteristic details expressed by meticulous work on leather, stud applications and the insertion of lace and small light points.

Non è solo white, ma è total white. Intero, intenso, ininterrotto. Descritti da linee nette, gli accessori white non rinunciano a dettagli caratterizzanti, espressi da lavorazioni minuziose sulle pelli, applicazioni di borchie o dall'inserimento di pizzo o piccoli punti luce.
