Andrea Crews Fashion Show - Menswear Spring/Summer Collection 2018

Designer: Maroussia Rebecq
 Atmosphere: In a schoolyard, a collection called "Youth Brigade". The designer takes us towards a new youth with her collective/label, having signed several collaborations for the summer of 2018 centred upon a strong mixed casting.
 Collection: Unquestionably sportswear and streetwear at the same time, the collection calls to attention the modern urban codes of the 90s, with a touch of modernity.
 Focus on: The collaborations with two almost-forgotten yet emblematic brands, like Sergio Tacchini and their sporty stripes, and New Man who appears in XXL and in overalls.
 To note: The banana bag, the cap & the sweater-shirt realised in one piece
